

# Tyler Joseph - Whisper

tom:

Intro: C F  
 A brave man said  
 "You put a name to a song  
 And it won't change no matter what goes wrong."  
 I'll try my best to find a face and a name  
 I'll sing until we both are one and the same

 ( C F G C )

[Primeira Parte]

Didn't have much time to see why I was found  
 Had to say goodbye  
 As time ran out  
 Sail across the world  
 Just to find a pearl  
 On the other side  
 Hope the pearl won't forget this song  
 And won't forget the sky

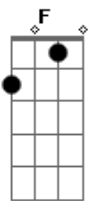

[Refrão]

I don't know what I should give  
 Or what I'm to sing  
 All I can do is give you this  
 And let my heart play  
 I know your face  
 Let this song whisper your name

[Pré-Refrão]

A song is not much time to show  
 How beautiful you are  
 But I will sing a song to your heart

[Refrão]

I don't know what I should give  
 Or what I'm to sing  
 All I can do is give you this  
 And let my heart play  
 I know your face  
 Let this song whisper your name

[Ponte]

Oh yeah, oh yeah, yeah, oh  
 Oh yeah, oh yeah, yeah, oh
