

Tyler, The Creator - See You Again

tom: Gb

You live in my dream state
 Relocate my fantasy
 I stay in reality
 You live in my dream state

Anytime I count sheep
 That's the only time we make up, make up
 You exist behind my eyelids, my eyelids
 Now I don't wanna wake up

20/20, 20/20 Vision
 Cupid hit me, Cupid hit me with precision, I
 Wonder if you look both ways
 When you cross my mind, I said, I said
 I'm sick of, sick of, sick of, sick of chasing
 You're the one that's always running through my day dreams, I
 I can only see your face when I close my eyes

Can I get a kiss?
 And can you make it last forever?
 I said I'm 'bout to go to war
 And I don't know if I'ma see you again

Can I get a kiss? -Can I?-
 And can you make it last forever? -Can you?-
 I said I'm 'bout to go to war -I'm 'bout to-
 And I don't know if I'ma see you again -Uh, switch it up-

I said, okay, okay, okay, okie dokie, my infatuation
 Is translatin' to another form of what you call it? -Love-
 Oh yeah, oh yeah, oh yeah, I ain't met you
 I've been looking, stop the waiting
 'Fore I stop the chasing, like an alcoholic
 You don't understand me, what the xxxx do you mean?
 It's them rose tinted cheeks, yeah it's them dirt-colored eyes
 Sugar honey iced tea, bumblebee on the scene
 Yeah I'd give up my bakery to have a piece of your pie -
 Yeugh!-

20/20, 20/20 Vision
 Cupid hit me, Cupid hit me with precision, I
 Wonder if you look both ways
 When you cross my mind, I said, I said
 I'm sick of, sick of, sick of, sick of chasing
 You're the one that's always running through my day dreams, I
 I can only see your face when I close my eyes -So?-

Can I get a kiss? -Can I get a kiss?-
 And can you make it last forever? -Make it last forever-
 I said I'm 'bout to go to war -'Bout to go to war-
 I don't know if I'ma see you again -See you again-

Can I get a kiss? -Can I?-
 And can you make it last forever? -Can you?-
 I said I'm 'bout to go to war -'Bout to-
 And I don't know if I'ma see you again
