

# Tyrone Wells - Happy As The Sun

Tom: G  
Intro: G D Am D (x2)

Verse 1  
G Em7  
Whenever this world gets the best of me  
G Em7  
and it all goes wrong  
G Em7  
I count down the hours till the time we meet  
G Em7  
and I move along  
Am F D  
'Cause I know that when I see you I will be

Chorus  
G D Am D  
Happy as the sun, Lighter than a feather  
G D Am D  
Walkin on the clouds, when we are together  
G D Am D  
Everyday with you just keeps getting better  
G (prender a corda e na quinta casa e fazer uma apogiatura com a nota da sexta casa)  
the world as it should be,  
G Em G Em G  
when you are here with me. Here with me

(repeat Intro)  
G Em7 G  
Whenever you leave my heart skips a beat  
G Em7  
like it knows you're gone  
G Em7 G  
Unless you are here I am incomplete  
G Em7  
I am undone song  
Am F D  
Only you inspire the melody in me.

G D Am D  
I am happy as the sun, Lighter than a feather  
G D Am D  
Walkin on the clouds, when we are together  
G D Am D

Everyday with you just keeps getting better  
G (prender a corda e na quinta casa e fazer uma apogiatura com a nota da sexta casa )  
the world as it should be,  
G Em G  
when you are here [ Tab from: <http://www.guitaretab.com/t/tyro>

Bridge  
Am G  
How could I go wrong  
D Am  
when you are here with me  
Am G D  
How could I be anything but smilin'

G D Am D  
I am happy as the sun, Lighter than a feather  
G D Am D  
Walkin on the clouds, when we are together  
G D Am D  
Everyday with you just keeps getting better  
G Em (prender a corda e na quinta casa e fazer uma apogiatura com a nota da sexta casa)  
the world as it should be,  
G Em G  
when you are here.

Happy as the sun, Lighter than a feather  
G D Am D  
Walkin on the clouds, when we are together  
G D Am D  
Everyday with you just keeps getting better  
G Em (prender a corda e na quinta casa e fazer uma apogiatura com a nota da sexta casa)  
the world as it should be,  
G Em G Em  
when you are here with me.

G  
the worlds as it should be  
G D G  
when you are here with me.

(G D Am D G )
