And if the <sup>G</sup>terrors of the night <sup>D</sup>  
Come <sup>G</sup>creeping into your days <sup>D</sup>  
And the world comes stealing children from your room <sup>A</sup>

Guard your innocence <sup>G Bm A</sup>  
From hallucination <sup>G Bm A</sup>  
And know the darkness always gathers around the light <sup>E</sup>

There is a light, you can't always see <sup>G D</sup>  
If there is a world, we can't always be <sup>A Bm</sup>  
If there is a dark, that we shouldn't doubt <sup>G D</sup>  
And there is a light, don't let it go out <sup>A Bm E</sup>

When the <sup>G</sup>wind screams and shouts <sup>D</sup>  
And the sea is a dragon's tale <sup>G D</sup>  
And the ship that stole your heart away set sail <sup>A</sup>

When all you've learned is leaving <sup>G Bm A</sup>  
And all you got is grieving <sup>G Bm A</sup>  
And all you know is leading <sup>G D</sup>  
Ah da-da, ah da-da-da, ah-da <sup>E</sup>

If there is a light, you can't always see <sup>G D</sup>  
<sup>A Bm</sup>

If there is a world, we can't always be <sup>G D</sup>  
If there is a dark, that we shouldn't doubt <sup>A Bm</sup>  
And there is a light, don't let it go out <sup>G D A Bm</sup>  
?Cause this is a song, a song for someone <sup>E</sup>  
Someone like me

I know the world is done <sup>G D</sup>  
But you don't have to be <sup>G D</sup>  
I've got a question for the child in you before it leaves <sup>D</sup>

Are you tough enough to be kind? <sup>G Bm A</sup>  
Do you know your heart has it's own mind? <sup>G Bm A</sup>  
Darkness gathers around the lights <sup>G E</sup>  
Hold on, hold on

There is a light, you can't always see <sup>G D</sup>  
If there is a world, we can't always be <sup>A Bm</sup>  
If there is a dark, that we shouldn't doubt <sup>G D</sup>  
And there is a light, don't let it go out <sup>A Bm</sup>  
And this is a so-o-o-ong, a song for someone <sup>G D A Bm</sup>  
This is a so-o-o-ong, a song for someone <sup>E</sup>  
Someone like me <sup>E</sup>  
Someone like me <sup>E</sup>  
Someone like me <sup>E</sup>
