You say it's love, it's not the money
 You let them suck your life out like honey
 Full of tricks
 You're on the street
 Selling your kisses so very sweet
 (I'm back. And I'm gonna make it
 I'm gonna make it
 Oh the prize is to hold you back)
 A primitive love
 And we're riding the mystery train
 A primitive love
 A room at the heart
 Heartbreak hotel.
