Chords:

^{Am} Is it getting ^D better
^F Or do you feel the ^G same
^{Am} Will it make it easier on you
^F Now you got someone to ^G blame

You say
^C One love, one ^{Am} life
^F When it's one ^C need in the night
^{Am} It's one love we get to share it
^F It leaves you baby if you don't care for it

Did I disappoint you
Or leave a bad taste in your mouth
You act like you never had love
And you want me to go without

Well it's too late tonight
To drag the past out into the light

We're one, but we're not the same
We get to carry each other, carry each other
One

[Solo]

Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus
To the lepers in your head?

Did I ask too much, more than a lot
You gave me nothing, now it's all I got

We're one, but we're not the same
We hurt each other then we do it again

You say
^C Love is a temple, ^{Am} Love a higher law
^C Love is a temple, ^{Am} Love the higher law
^C You ask me to enter, ^G but then you make me crawl
^F And I can't be holding on to what you got
^C

When all you got is hurt

One love, one blood
One life, you got to do what you should

One life with each other
Sisters, brothers

One life, but we're not the same
We get to carry each other, carry each other

One. One.

"Who's Gonna Ride Your Wild Horses?"

G C
You're dangerous, 'cos you're honest
G C
You're dangerous, 'cos you don't know what you want
G C
Well you left my heart empty as a vacant lot
G C
For any spirit to haunt

D C D C
Hey hey sha la la, hey hey

You're an accident waiting to happen
You're a piece of glass left there on the beach
Well you tell me things I know you're not supposed to
Then you leave me just out of reach

Hey hey sha la la, hey hey sha la la la

G D C
Who's gonna ride your wild horses?
G D C
Who's gonna drown in your blue sea?
G D C
Who's gonna ride your wild horses?
G D C
Who's gonna fall at the foot of thee?

Well you stole it 'cos I needed the cash
And you killed it 'cos I needed revenge
Well you lied to me 'cos I asked you to
Baby...can we still be friends?

Hey hey sha la la, hey hey sha la la la

Who's gonna ride your wild horses?
Who's gonna drown in your blue sea?
Who's gonna ride your wild horses?
Who's gonna fall at the foot of thee?

Am Em
The deeper I spin
G D
The hunter will sin ... for your ivory skin
Am
Took a drive in the dirty rain
Em
To a place where the wind calls your name
G
Under the trees the river laughing
D
At you and me...

Am
Hallelujah, heavens white rose
F D
The doors you open I just can't close

G D C
Don't you turn around, don't you turn around again
G D C
Don't you turn around your gypsy heart
Don't turn around, don't turn around again
Don't turn around, and don't look back

C D
Come on now love, don't you look back

Who's gonna ride your wild horses?
Who's gonna drown in your blue sea?
Who's gonna taste your salt water kisses?
Who's gonna take the place of me?
Who's gonna ride your wild horses?
Who could tame the heart of thee?

"So Cruel"

A A
We crossed the line
A A
Who pushed who over?
A A
It doesn't matter to you
A A
it matters to me
A A
We're cut adrift
A A
But still floating
A A
I'm only hanging on
A E A
To watch you go down...my love

I disappeared in you
You disappeared from me
I gave you everything you ever wanted
It wasn't what you wanted
The men who love you, you hate the most
They pass through you like a ghost
They look for you but your spirit is in the air
Baby...you're nowhere

A-D-E-A
Aaaaaaah,
A D E A
You say in love there are no rules
A D E A E
Oh.....love Sweetheart
A
You're so cruel

Desperation is a tender trap
It gets you every time
You put your lips to her lips
To stop the lie
Her skin is pale like God's only dove
Screams like an angel for your love
Then she makes you watch her from above
And you need her like a drug
You say in love there are no rules

Oh.....love Sweetheart, you're so cruel

Gbm
She wears my love
D
Like a see-through dress
A
Her lips say one thing
E
Her movements something else
Dbm
Oh love, like a screaming flower
A
Love, dying every hour

And you don't know if it's fear or desire
Danger the drug that takes you higher?
Head of heaven, fingers in the mire
Her heart is racing... you can't keep up
The night is bleeding like a cut
Between the horses of love and lust
We are trampled underfoot

You say in love there are no rules
Oh.....love Sweetheart
You're so cruel

To stay with you I'd be a fool
D Dbm A E
oh...hah hah Sweetheart
A
You're so cruel.

"The Fly"

Intro: goes like this:

E
It's no secret that the stars are falling from the sky
It's no secret that our world is in darkness tonight

^A They say the sun is sometimes eclipsed by a moon
^E
You know I don't see you when she walks in the room

It's no secret that a friend is someone who lets you help
It's no secret that a liar won't believe anyone else
They say a secret is something you tell one other person
So I'm telling you, child

^{Dbm} ^E
(Love, we shine like a ^A man will beg
^A
Burning star ^A man will crawl
We're fallin' from ^A On the sheer face of love
^{Dbm} ^E ^A Like a fly from the wall
The sky... tonight) ^A It's no secret at all

It's no secret that a conscience can sometimes be a pest
It's no secret that ambition bites the nails of success
Every artist is a cannibal Every poet is a thief
All kill their inspiration and sing about their grief

(Love, we shine like a ^A man will rise
Burning star ^A man will fall
We're falling from ^A From the sheer face of
love ^A
The sky... tonight) ^A Like a fly from the wall
^A It's no secret at all

^E
It's no secret that the stars are falling from the sky
The universe exploding 'cosa one man's lie
Look I gotta go, yeah I'm running out of change
There's a lot of things if I could I'd rearrange

"Mysterious Ways"

(Heavy distortion recommended)

This song can be played with a capo on the 8th fret, if you can do that.
Then it becomes fairly simple just playing ^D instead of ^A, etc. (see the chord formations). Or you can play it with a capo on 1st fret, which is how I've finally put the chords. [Editor's Comment]
Intro: /transitions: (Repeated about 9 times)

(Note: chords given below generally are played by an organ in background)

^A ^D
Johnny took a walk with your sister the moon
^A ^E
Let her pale light in to fill up your room
^A ^D
You've been living underground, eating from a can
^A ^E ^A
You've been running away from what you don't understand (love)

Chorus: (the chorus basically just switches back between the ^A ^D and ^D chords)

(^A) (^D)

(So, when you see ^A or ^D, play the above chord formations, respectively)

^A ^D
She's slippy, you're sliding down
^A ^D
She'll be there when you hit the ground

^A ^D
It's alright...it's alright...it's alright
^C ^G
She moves in mysterious ways
^A ^D
It's alright...it's alright...it's alright
^C ^G
She moves in mysterious ways

Johnny take a dive with your sister in the rain
Let her talk about the things you can't explain
To touch is to heal, to hurt is to steal
If you want to kiss the sky
Better learn how to kneel (...on your knees boy!)

She's the wave, she turns the tide
She sees the man inside the child

It's alright...it's alright...it's alright
She moves in mysterious ways (x3)
It's alright...it's alright...it's alright
Lift my days...light up my nights

Guitar Solo:

Bridge: (Strum each chord once, and let ring)

^{Am} ^D ^{Am}
One day you'll look back and you'll see
^G ^A
Where you were held how by this love
^D
While you could stand there
^C
And not move on this moment
^G
Follow this feeling

It's alright...it's alright...it's alright
She moves in mysterious ways
It's alright...it's alright...it's alright
We move through miracle days
Spirit moves in mysterious ways
She moves with it, she moves with it
^C ^G ^A
Lift my days and light up my nights

"Tryin' To Throw Your Arms Around The World"

^A ^D
Six o'clock in the morning
^A ^D
You're the last to hear the warning
^A ^D ^A ^D
You've been trying to throw your arms around the world
^A ^D ^A ^D ^A ^{D-A-}
You've been falling off the sidewalk
Your lips move but you can't talk
Tryin' to throw your arms around the world
^A ^D ^A ^D ^A ^{D-A-}
I'm gonna run to you...run to you...run to you...be still
^D ^A ^D ^A ^D ^A ^{D-A-}
I'm gonna run to you...run to you...run to you...woman I will

Sunrise like a nosebleed, your head hurts and you can't breathe
You been tryin' to throw you arms around the world
How far are you gonna go before you lose your way back home?
You've been trying to throw your arms around the world

I'm gonna run to you...

I dreamed that I saw Dali with a supermarket trolley
He was trying to throw his arms around a girl
He took an open top beetle through the eye of a needle
He was tryin' to throw his arms around the world

I'm gonna run to you...

Bridge: ^{A-E-D-A} ^{A-E-D} ^{A-D-A-D-....}

Nothin' much to say I guess, just the same as all the rest
Been trying to throw your arms around the world
A woman needs a man like a fish needs a bicycle
When you're tryin' to throw your arms around the world

I'm gonna run to you...run to you
I'm gonna run to you...run to you
I'm gonna run to you...run to you
Woman be still...woman be still
Be still...woman be still, woman I will

"Ultraviolet (Light My Way)"

[Keyboard plays a **Dbm** on this sentence]

"Sometimes I feel like I don't know, sometimes I feel like checking out
I wanna get it wrong, can't always be strong, and love it won't be long"

Intro: **E Abm A** (this is structure)

Oh sugar, don't you cry,
oh child wipe the tears from your eyes
You know I need you to be strong,
and the day's as dark as the night is long

Dbm **B**
Feel like trash, you make me feel clean

A
I'm in the black, can't see or be seen

Dbm **B** **A**
Baby, baby, baby, light my way

Dbm **B** **A**
Baby, baby, baby, light my way

You bury your treasure where it can't be found
But your love's like a secret that's been passed

around

There is a silence that comes to a house where no one can sleep

I guess it's the price of love, I know it's not cheap
Oh, come on, baby, baby, baby, light my way
Oh, come on, baby, baby, baby, light my way

E B Dbm A (twice)

Ooooh, ultraviolet...

Dbm **B** **E A**
Baby, baby, baby, light my way

I remember when we could sleep on stones
But now we lie together in whispers and moans
When I was all messed up, and I heard opera in my head

Your love was a lightbulb hanging over my bed
Baby, baby, baby, light my way
Baby, baby, baby, light my way

Ooooh, ultraviolet...

Abm **A** **E** **B**
Baby, baby, baby, baby, baby, baby,
Dbm **B** **E**

"Acrobat"

Intro: **Em Am**

Am **G** **F** **Em**
Don't believe what you hear, don't believe what you see

Am **G** **F** **Em**
If you just close your eyes you can feel the enemy

When I first met you girl, you had fire in your soul
What happened your face of melting snow?

C
Now it looks like this

Am
and you can swallow or you can spit

F **G**
You can throw it up or choke on it

And you can dream, so dream out loud
F **G** **Am**

You know that your time is coming 'round
F **G** **Am**
... Don't let the bastards grind you down

No nothing makes sense, nothing seems to fit
I know you'd hit out if you only knew who to hit
And I'd join the movement if there was one I could believe in
Yeah I'd break bread and wine if there was a church I could receive in

'Cos I need it now
To take the cup, to fill it up
To drink it slow, I can't let you go
And I must be an Acrobat to talk like this and act like that
And you can dream, so dream out loud
... Don't let the bastards grind you down

What are we going to do now it's all been said?
No new ideas in the house, and every book has been read

And I must be an acrobat
To talk like this and act like that
And you can dream, so dream out loud
And you can find your own way out
You can build and I can will
And you can call I can't wait until
You can stash and you can seize
In dreams begin responsibilities
And I can love, and I can love
I know that the tide is turning 'round
...Don't let the bastards grind you down
