**Em**  
Blessed are the bullies  
For one day they will have to stand up to themselves

**Em**  
Blessed are the liars  
For the truth can be awkward

( **Em A** )

**Em**  
It's not a place

**A**  
This country is to me a sound

**Em**  
Of drum and bass

**A** **Em**  
You close your eyes to look around

**Em**  
Look around, look around

**Em A** **Em**  
Look around, it's a sound

That offers grace

**A** **Em**

For every welcome that is sought

You are rock and roll

It's not a place

**Em** **A**  
This is a dream the whole world owns

**Em**  
The pilgrim's face

**Em** **A** **Em**  
It had your heart to call her home
