verse
E (Ab) A (Gb) B
All the obstacles in my way, now
{repeat prev chords}
Are disappearing every day, now
Dbm (Ab) Gb (A) B
I'm getting closer We're getting closer to
Dbm (Ab) Gb (A) B
home It won't be long until the summer comes
chorus (x2)

E Ab A Gb B

Are you gonna wait forever?

verse

Getting out from under my bed, now
I'm going to say the things I should have said, now
Getting closer Getting closer to what's true
Gonna find myself in you
chorus (x4)

Are you gonna wait forever?

bridge

Dbm
There's no one there behind their eyes
A
They're in the business, beautiful lies
Gb
We'll keep the promise
A
'Cause we don't know how to break it
{repeat prev chords...}
The furniture you can rearrange
Don't trade your dreams for some small change
{...except go to B just
before chorus}
Guard the flame, or better leave it naked
chorus
Are you gonna wait forever?
Are you gonna wait forever?
Are you gonna wait forever?
How?
Are you gonna wait forever?
How, how long, how long?
Or is it now, now, now?
Or is it now?
