

# U2 - Breathe

Tom: D

(intro)

(intro) (D A Bm )

16th of June, nine 0 five, door bell rings  
 Man at the door says if I want to stay alive a bit longer  
 There's a few things I need you to know. Three  
 Coming from a long line of travelling sales people on my  
 mother's side  
 I wasn't gonna buy just anyone's cockatoo  
 So why would I invite a complete stranger into my home  
 Would you?

These days are better than that  
 These days are better than that

G D E  
 Every ... day I die again, and again I'm reborn  
 G D E  
 Every ... day I have to find the courage

Bm G D A  
 To walk out into the street  
 Bm G D A  
 With arms out got a love you can't defeat  
 Bm G D E  
 Neither down or out/There's nothing you have that I  
 neeeeeeed...

 16th of June, Chinese stocks are going up  
 And I'm coming down with some new Asian virus

Ju Ju man, Ju Ju man  
 Doc says you're fine, or dying Please  
 Nine 0 nine, St John Divine, on the line, my pulse is fine  
 But I'm running down the road like loose electricity  
 While the band in my head plays a striptease

G D E  
 The roar that lies on the other side of silence  
 G D E  
 The forest fire that is fear so deny it

Bm G D A

 Bm G D A  
 Sing your heart out/The people we meet  
 Bm G D E D A A
