In the howling wind comes a stinging rain
 See it driving nails into souls on the tree of pain
 From the firefly, a red orange glow
 See the face of fear running scared in the valley below

Bullet the blue sky
 Bullet the blue

In the locust wind comes a rattle and hum
 Jacob wrestled the angel and the angel was overcome
 Plant a demon seed, you raise a flower of fire
 See them burning crosses, see the flames, higher and higher

Bullet the blue sky
 Bullet the blue

Suit and tie comes up to me
 His face red
 Like a rose on a thorn bush
 Like all the colours of a royal flush
 Through the alleys of a quiet city street
 Up the staircase to the first floor
 We turn the key and slowly unlock the door
 A man breathes deep into saxophone
 Through the walls we hear the city graon
 Outside is America
 Outside is America
