Tom: A

D A
California
E Gbm
Then we sail into the shallow sea
D A
The wind that drags your heart down
Gbm B
Well, that's what took me where I need to be

D A
Which is here, Alazzurra
E Gbm
Watching you cry like a baby
D A
California
Gbm B
At the dawn you thought would never come
D A
But it did
E
Like it always does

Bm A
Whoa, oh, you know
Gbm A
And all I need to know is
D A
There is no, yeah, there is no end
Bm
To love

D A
I didn't call you
E Gbm
A risk can scare a thought away
D A
Everyone's a star in our town
Gbm B
It's just your light gets dimmer if you have to stay

D A
Can you imagine in a mirror

E Gbm
Watching yourself cry like a baby
D A
California
Gbm B
The blood orange season brings you to your knees
D A
I've seen for myself, there's no end to grief
E
That's how I know

Bm A
Whoa, that's how I know
Gbm E
And why I need to know
D A
If there is no, if there is no end
Bm
To love

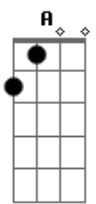

Bm A
Whoa, oh, you know
Gbm E
And all I need to know is
D A
There is no, yeah, there is no end
Bm
To love

Solo: D A E Gbm D A Gbm B
Bm A
Whoa, oh, you know
Gbm E
And all I need to know is
D A
There is no, yeah, there is no end

With stolen days you don't get back

Stolen days are just enough
