

U2 - Every Breaking Wave

Tom: C

Intro: G Bm D A

Every breaking wave
On the shore
Tells the next one there'll be one more

Every gambler knows
That to lose
Is what you're really there for

Somewhere else, fearlessness
Now I'm speaking to an answer phone

Like every silent leaf
On the breeze
Winter wouldn't leave it alone

Ay hey now
Ay hey now

I don't know if I'm that strong
I don't know if I'm that strong
Don't know if I'm that strong
To be somebody
To need someone

(G Bm D A)

Every sailor knows that the sea
Is a friend made enemy

Every shipwrecked soul
Knows what it is
To live without intimacy

I thought I heard the master's voice
It's hard to listen while you preach

Like every silent leaf
On the breeze
This was as far as I can reach

Ay hey now
Ay hey now

I don't know if I'm that strong

I don't know if I'm that strong
Don't know if I'm that strong
Got to be somebody
To need someone
(G Bm D A)

The waves know
We're on the rocks
Drowning is no sin

You know
That my heart
Is the same place yours has been

We know
The fear of winning
So we end before we begin

oH oH OH OH
OH OH OH hunn

oH oH OH OH
OH OH OH hunn

SEGUNDA VERSÃO CD 2014
Intro: A Db E B

Every breaking wave on the shore
Tells the next one, ?There'll be one more?

Every gambler knows that to lose
Is what you're really there for
Someone I was fearless

Now I speak into answer phone
Like every falling leaf on the breeze
Winter wouldn't leave it alone
Alone

If you go?
If you go your way and I go mine

Are we so?
Are we so helpless against the tide?

Baby, every dog of street
Knows that we're in love with defeat
Are we ready to be swept off our feet
And stop chasing

Every breaking wave

A Db E B

Every sailor knows that the sea
 Is a friend made enemy
 And every shipwrecked soul, knows what it is
 To live without intimacy
 I thought I heard the captain's voice
 It's hard to listen while you preach
 Like every broken wave on the shore
 This is as far as I could reach

If you go?
 If you go your way and I go mine
 Are we so?
 Are we so helpless against the tide?
 Baby, every dog of street
 Knows that we're in love with defeat
 Are we ready to be swept off our feet
 And stop chasing

Every breaking wave

The sea knows where are the rocks
 Are drowning is no sin
 You know where my heart is
 The same place that yours has been
 We know that we fear to win
 And so we end before we begin
 Before we begin

SOLO: A Db E B
