I know these fast cars
(stop)
Will do me no good
I'm going nowhere

Where I am it is a lot of fun
They're in the desert to dismantle an atomic bomb
I watch them channel hop
Check the stocks
I'm in detox
I want the lot of what you've got
If what you've got can make this stop

All I want is a picture of you
All I want is to be right next to you
All I want is your picture in a locket
Your face in my pocket
Take a pill to stop it

I know these fast cars
Will do me no good

I'm documenting every detail
Every conversation
I'm not used to talking to somebody in their body
Look, there's somebody in a body, somebody in a body
