Love hurts

C  
Now you're the girl who's left with no words  
F  
Your heart's a balloon, but then it bursts

C  
It doesn't take a cannon, just a pin  
C  
Your skin's not covering

F  
And resistance

C  
Love has got to fight for its existence

F  
The enemy has armies for assistance

C  
The amorist, the glamorous, the kiss

A fist, listen to this, oh

Em G  
Get out of your own way, oh, I  
Em G  
Get out of your own way, oh, I

F C  
I could sing it to you all night, all night  
G C  
If I could, I'd make it alright, alright

F C  
Nothing's stopping you except what's inside  
G N.C.  
I can help you, but it's your fight, your fight

F  
Fight back

C  
Don't take it lyin' down, you got to bite back  
F  
The face of liberty's starting to crack

C  
She had a plan up until she got smacked in the mouth

C  
And it all went south  
F  
Like freedom

C  
The slaves are lookin' for someone to lead them  
F  
The master's lookin' for someone to need him  
C  
The promised land is there for those who need it most  
C  
And Lincoln's ghost said

Em G  
Get out of your own way, oh, I  
Em G  
Get out of your own way, oh, I

Am  
Blessed are the arrogant

C  
For there is the kingdom of their own company  
Am  
Blessed are the superstars

C  
For the magnificence in their light

G  
We understand better our own insignificance

Am  
Blessed are the filthy rich

C  
For you can only truly own what you give away

Like your pain
