

U2 - I Still Haven't Found What I'm Looking For

tom:

Intro: A A A

[Primeira Parte]

I have climbed the highest mountains

I have run through the fields

Only to be with you

Only to be with you

I have run I have crawled

I have scaled these city walls

These city walls

Only to be with you

[Refrão]

But I still haven't found

What I'm looking for

But I still haven't found

What I'm looking for

[Segunda Parte]

I have kissed honey lips

Felt the healing in her fingertips

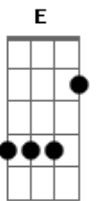

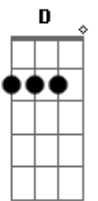

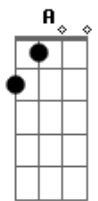

It burned like fire

This burning desire

I have spoke with tongue of angels

I have held the hand of a devil

Acordes

It was warm in the night

I was cold as a stone

[Refrão]

But I still haven't found

What I'm looking for

But I still haven't found

What I'm looking for

[Terceira Parte]

I believe in the kingdom come

Then all the colors will bleed into one

Bleed into one

Bleed into one

But yes I'm still running

You broke the bonds

And you loosed the chains

Carried the cross Of my shame

Oh my shame

You know I believe it

[Refrão]

But I still haven't found

What I'm looking for

But I still haven't found

What I'm looking for
