

# U2 - I Still / Without You (Pot-Pourri)

tom:  
D

[Primeira Parte]

I have climbed the highest mountains  
I have run through the fields  
Only to be with you  
Only to be with you

I have run I have crawled  
I have scaled these city walls, these city walls  
Only to be with you

[Refrão]

But I still haven't found  
What I'm looking for  
But I still haven't found  
What I'm looking for

[Segunda Parte]

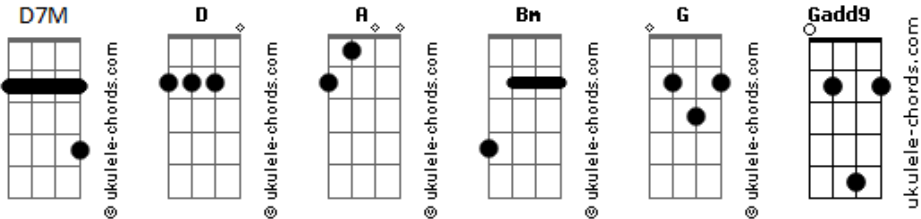

I have kissed honey lips  
Felt the healing in her fingertips  
It burned like fire  
This burning desire

I have spoke with the tongue of angels  
I have held the hand of a devil  
It was warm in the night  
I was cold as a stone

[Refrão]

But I still haven't found  
What I'm looking for

## Acordes

But I still haven't found  
What I'm looking for

See the stone set in your eyes  
See the thorn twist in your side  
I wait for you

Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait, without you

[Refrão]

With or without you  
With or without you

[Segunda Parte]

Through the storm we reach the shore  
You give it all but I want more  
And I'm waiting for you

[Refrão]

With or without you  
With or without you  
I can't live  
With or without you

( D A Bm G )

[Ponte]

And you give yourself away  
And you give yourself away  
And you give  
And you give  
And you give yourself away
