

U2 - I Still / Without You (Pot-Pourri)

tom:

D

[Primeira Parte]

I have climbed the highest mountains

I have run through the fields

Only to be with you

Only to be with you

I have run I have crawled

I have scaled these city walls, these city walls

Only to be with you

[Refrão]

But I still haven't found

What I'm looking for

But I still haven't found

What I'm looking for

[Segunda Parte]

I have kissed honey lips

Felt the healing in her fingertips

It burned like fire

This burning desire

I have spoke with the tongue of angels

I have held the hand of a devil

It was warm in the night

I was cold as a stone

[Refrão]

But I still haven't found

What I'm looking for

But I still haven't found

What I'm looking for

See the stone set in your eyes

See the thorn twist in your side

I wait for you

Sleight of hand and twist of fate

On a bed of nails she makes me wait

And I wait, without you

[Refrão]

With or without you

With or without you

[Segunda Parte]

Through the storm we reach the shore

You give it all but I want more

And I'm waiting for you

[Refrão]

With or without you

With or without you

I can't live

With or without you

(D A Bm G)

[Ponte]

And you give yourself away

And you give yourself away

And you give

And you give

And you give yourself away
