

## U2 - Lady With The Spinning Head

Tom: **E**

**E**  
Here she comes, lady luck again,  
figure of eight, six and nine again.

**A** **D** **E**  
Aaaah, aaah, my lady with the spinning head.

Whatever the deal, she won't let me down  
Wherever I go, she's always hanging 'round  
Aaaah, aaah, my lady with the spinning head.

Lady with the spinning head

She's been gone, but I knew she'd back  
She's got the rent, she'll put me in the black  
Aaaah, aaah, my lady with the spinning head.  
Aaaah, aaah, my lady with the spinning head.

I don't mind, she took the weight back off  
Those pretty dice were rolling off  
I'm on top when she's around  
She's been taking me out of town
