

U2 - Lady With The Spinning Head

Tom: **E**

E
Here she comes, lady luck again,
figure of eight, six and nine again.

A **D** **E**
Aaaah, aaah, my lady with the spinning head.

Whatever the deal, she won't let me down
Wherever I go, she's always hanging 'round
Aaaah, aaah, my lady with the spinning head.

Lady with the spinning head

She's been gone, but I knew she'd back
She's got the rent, she'll put me in the black
Aaaah, aaah, my lady with the spinning head.
Aaaah, aaah, my lady with the spinning head.

I don't mind, she took the weight back off
Those pretty dice were rolling off
I'm on top when she's around
She's been taking me out of town
