

U2 - Love Is All We Have Left

Tom: D

^{Bm} Nothing to stop this being the best day ever ^A

^G Nothing to keep us from where we should be ^{Em}

I wanted the world but you knew better ^{Bm} ^A

And that all we have is immortality ^G ^{Em}

^D Love, and love is all we have left ^A

A baby cries on a doorstep ^G

^{Em} Love is all we have left ^D

Love, and love is all we have left ^A

You argue 'cause you can't accept ^G

^{Em} Love is all we have left ^D

Love is all we have left

^{Bm} Now you're at the other end of a telescope ^A

^G Seven billion stars in her eyes ^{Em}

^{Bm} So many stars, so many ways of seeing ^A

Hey, this is no time not to be alive ^G ^{Em}

^D Love, and love is all we have left ^A

A baby cries on a doorstep ^G

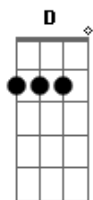

^{Em} Love is all we have left ^D

Love, and love is all we have left ^A

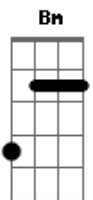

The only thing that can be kept ^G

^{Em} Love is all we have left ^D
