

U2 - Love Is All We Have Left

Tom: D

Nothing to stop this being the best day ever

Nothing to keep us from where we should be

I wanted the world but you knew better

And that all we have is immortality

Love, and love is all we have left

A baby cries on a doorstep

Love is all we have left

Love, and love is all we have left

You argue 'cause you can't accept

Love is all we have left

Love is all we have left

Now you're at the other end of a telescope

Seven billion stars in her eyes

So many stars, so many ways of seeing

Hey, this is no time not to be alive

Love, and love is all we have left

A baby cries on a doorstep

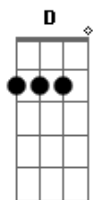

Love is all we have left

Love, and love is all we have left

The only thing that can be kept

Love is all we have left
