

U2 - Love Is All We Have Left

Tom: D

^{Bm} Nothing to stop this being the best day ever ^A
^G Nothing to keep us from where we should be ^{Em}
^{Bm} I wanted the world but you knew better ^A
^G And that all we have is immortality ^{Em}

^D Love, and love is all we have left ^A

^G A baby cries on a doorstep
^{Em} Love is all we have left ^D

^A Love, and love is all we have left ^G

^G You argue 'cause you can't accept
^{Em} Love is all we have left ^D

Love is all we have left

^{Bm} Now you're at the other end of a telescope ^A
^G Seven billion stars in her eyes ^{Em}
^{Bm} So many stars, so many ways of seeing ^A
^G Hey, this is no time not to be alive ^{Em}

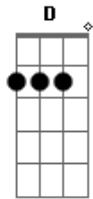

^D Love, and love is all we have left ^A

^G A baby cries on a doorstep
^{Em} Love is all we have left ^D

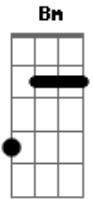

^A Love, and love is all we have left ^G

^G The only thing that can be kept
^{Em} Love is all we have left ^D
