

U2 - Luminous Times (Hold On To Love)

Tom: C

(1st bar 4 times, 2nd bar 2 times)

G
Hey, sister love
Hey, sister soul
Hey, oh my love
F
You turn me around tonight

G
Hey sister love

F
Save my soul

C
Save my soul
Hold on to love
Hold on to love

F
Love won't let you go

C
Love won't let you go
F C
Hold on to love

G
See the sunshine in her soul
Hey, sister love
Hey, see the burn
Whoo!
She comes like a carnival
She is the big wheel

F
She turned my head around
Turned my head around

G
She is the speedway
She is the slipstream

F

She is comin' round

C
Hold on to love
Hold on to love

F
Love won't let you go

C
Hold on to love
Hold on to love
See the sun ride in her song

G
See the sun ride in her soul

She is the gunfire
She is the car crash
She is the avalanche
She is the thunder

F
She is the waves's hand
She pulls me under

G
I love you 'cause I need to
Not because I need you

F C
I love you 'cause I understand
That God has given me your hand
Holds me in a tiny fist
And still I need your kiss

F C
Hold on to love

F C
Hold
See the sunlight in her song

G
See the sunlight in her soul
