C             G
And may your dreams be realised.
G                          C
 If the thunder cloud passes rain
C          G
 So let it rain, rain down on he.
G   C
Hum?Hum?
C          G
 So let it be.
```
