

U2 - North And South Of The River

Tom: C

^C
I want to reach out over the Loch
^{Am} And feel your hand across the water
^C
Walk with you along an unapproved road
^{Am} Not looking over my shoulder

^C
I wanna see, and I wanna hear
^{Am} To under-stand your fears
^C But we're north and south of the river ^G ^{Am} ^F

^C
I've been doing it wrong all of my life
^{Am} This holy town has turned me over
^C
A young man running from what he didn't understand
^{Am} While the wind from the Loch just get colder, colder

^C
There was a badness that had its way
^{Am} But love wasn't lost, love will have its day
^C North and south of the river ^G ^{Am} ^F

^C ^G ^{Am} ^F
North and south of the river

^C
Can we stop playing this old tattoo
^{Am} Darling I don't have the answer
^C
I wanna meet you where you are
^{Am} I don't need ya to surrender

^C ^G
'Cause there's no feeling that's so alone
^{Am} When when the one you're hurting is your own
^C North and south of the river ^G
North and south of the river ^C ^G
North and south of the river ^{Am} ^F

^C ^G
Some high ground is not worth taking
^{Am} Some connections are not worth making
^C This old church bell no longer ringing
^{Am} Some old songs are not worth bringing
^C North... / Higher ground is not worth taking ^G ^{Am} ^F
