

U2 - Please (live acoustic)

Tom: D

(Tune 1/2 step down)

So you never knew love until you crossed the line of grace
 And you never felt wanted till you had someone slap your face
 So you never felt alive until you almost wasted away

Bm You had to win, you couldn't just pass **A**
Em The smartest ass at the top of the class **G**
Bm Your flying colours, your family tree **A**
Em And all your lessons in history **G**

Bm Please
A Please
Em Please
G get up off your knees now **A**
Bm Please
A Please
Em Please, leave it out **G**

Play beginning riff:

And you never knew how low you'd stoop to make that call
 And you never knew what was on the ground
 Until you made them crawl
 So you never knew that the heaven you keep, you stole

Bm Your Catholic blues, your convent shoes **A**
Em Your stick-on tattoos, now they're making news **G**
Bm Your holy war, your northern star **A**
Em Your sermon on the mount from the boot of your car **G**

Bm Please, please, please get up off your knees now **A**
Bm Please, please, please leave it out **A** **Em** **G**

September, streets capsizing,

Spilling over down the drain

Shards of glass splinters like rain

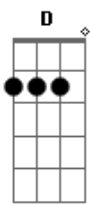

But you could only feel your pain

October, talking getting nowhere

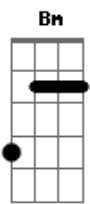

October, November, remember
 Are we just starting again?

Bm Please, please, please get up off of your knees now **A**
Bm Please, please, please, get up off your knees **A** **Em** **G**
Bm 'cause love is big, it's bigger than us **A** **Em** **G**
Bm But love is not what you're thinking of **A** **Em** **G**
 It's what lovers deal, it's what lovers steal **Bm** **A**
 You know I've found it hard to receive **Em** **G**
 Cause you, my love, I could never believe **Bm** **A** **Em** **Bm**
