

U2 - Please (live acoustic)

Tom: D

(Tune 1/2 step down)

So you never knew love until you crossed the line of grace
 And you never felt wanted till you had someone slap your face
 So you never felt alive until you almost wasted away

Bm A
 You had to win, you couldn't just pass

Em G
 The smartest ass at the top of the class

Bm A
 Your flying colours, your family tree

Em G
 And all your lessons in history

Bm
 Please

A
 Please

Em
 Please

G A
 get up off your knees now

Bm
 Please

A
 Please

Em G
 Please, leave it out

Play beginning riff:

And you never knew how low you'd stoop to make that call
 And you never knew what was on the ground
 Until you made them crawl
 So you never knew that the heaven you keep, you stole

Bm A
 Your Catholic blues, your convent shoes

Em G
 Your stick-on tattoos, now they're making news

Bm A
 Your holy war, your northern star

Em G
 Your sermon on the mount from the boot of your car

Bm A Em G
 A

Please, please, please get up off your knees now

Bm A Em G
 Please, please, please leave it out

September, streets capsizing,

Spilling over down the drain

Shards of glass splinters like rain

But you could only feel your pain

October, talking getting nowhere

October, November, remember
 Are we just starting again?

Bm A Em G
 A

Please, please, please get up off of your knees now

Bm A Em G
 A

Please, please, please, get up off your knees

Bm A Em G
 'cause love is big, it's bigger than us

Bm A Em G
 But love is not what you're thinking of

Em A
 It's what lovers deal, it's what lovers steal

Em G
 You know I've found it hard to receive

Bm A Em Bm
 Cause you, my love, I could never believe
