

U2 - Please (live acoustic)

Tom: D

(Tune 1/2 step down)

So you never knew love until you crossed the line of grace
 And you never felt wanted till you had someone slap your face
 So you never felt alive until you almost wasted away

Bm A
 You had to win, you couldn't just pass
 Em G
 The smartest ass at the top of the class
 Bm A
 Your flying colours, your family tree
 Em G
 And all your lessons in history

Bm Please
 A Please
 Em Please
 G get up off your knees now
 Bm Please
 A Please
 Em Please, leave it out

Play beginning riff:

And you never knew how low you'd stoop to make that call
 And you never knew what was on the ground
 Until you made them crawl
 So you never knew that the heaven you keep, you stole

Bm A
 Your Catholic blues, your convent shoes
 Em G
 Your stick-on tattoos, now they're making news
 Bm A
 Your holy war, your northern star
 Em G
 Your sermon on the mount from the boot of your car

Bm A Em G
 A
 Please, please, please get up off your knees now
 Bm A Em G
 Please, please, please leave it out

September, streets capsizing,

Spilling over down the drain

Shards of glass splinters like rain

But you could only feel your pain

October, talking getting nowhere

October, November, remember
 Are we just starting again?

Bm A Em G
 A
 Please, please, please get up off of your knees now
 Bm A Em G
 A
 Please, please, please, get up off your knees
 Bm A Em G
 'cause love is big, it's bigger than us
 Bm A Em G
 But love is not what you're thinking of
 Bm A
 It's what lovers deal, it's what lovers steal
 Em G
 You know I've found it hard to receive
 Bm A Em Bm
 Cause you, my love, I could never believe
