

## U2 - Please (live acoustic)

Tom: D

(Tune 1/2 step down)

So you never knew love until you crossed the line of grace  
 And you never felt wanted till you had someone slap your face  
 So you never felt alive until you almost wasted away

Bm A  
 You had to win, you couldn't just pass  
 Em G  
 The smartest ass at the top of the class  
 Bm A  
 Your flying colours, your family tree  
 Em G  
 And all your lessons in history

Bm Please  
 A Please  
 Em Please  
 G get up off your knees now  
 Bm Please  
 A Please  
 Em Please, leave it out

Play beginning riff:

And you never knew how low you'd stoop to make that call  
 And you never knew what was on the ground  
 Until you made them crawl  
 So you never knew that the heaven you keep, you stole

Bm A  
 Your Catholic blues, your convent shoes  
 Em G  
 Your stick-on tattoos, now they're making news  
 Bm A  
 Your holy war, your northern star  
 Em G  
 Your sermon on the mount from the boot of your car

Bm A Em G  
 A  
 Please, please, please get up off your knees now  
 Bm A Em G  
 Please, please, please leave it out

September, streets capsizing,

Spilling over down the drain

Shards of glass splinters like rain

But you could only feel your pain

October, talking getting nowhere

October, November, remember  
 Are we just starting again?

Bm A Em G  
 A  
 Please, please, please get up off of your knees now  
 Bm A Em G  
 A  
 Please, please, please, get up off your knees  
 Bm A Em G  
 'cause love is big, it's bigger than us  
 Bm A Em G  
 But love is not what you're thinking of  
 Bm A  
 It's what lovers deal, it's what lovers steal  
 Em G  
 You know I've found it hard to receive  
 Bm A Em Bm  
 Cause you, my love, I could never believe
