

U2 - Running to Stand Still

Tom: D

^D And so she woke up, woke up from where she was lying still,
said I

^D got to do something about where we're going.

^D Step on a steam train, ^G step out of the driving rain, maybe

^D run from the darkness in the night, singing

^A ah, ah la la la de day

^A ah la la la de day, ah la la de day

Sweet the sin, but bitter the taste in my mouth.
I see seven towers, but I only see one way out.
You got to cry without weeping, talk without speaking,
scream without raising your voice, you know I took the poison,
from the poison stream, then I floated out of here, singing

ah, ah la la la de day
ah la la la de day, ah la la de day

^G ooh, ^D ooh, ^G ooh

^D She runs through the street with her eyes painted red

^G under black belly of cloud in the rain

^D in through the doorway she brings me

^G white gold and pearls, stolen from the sea, she is raging ^D

she is raging, and the storm blows up in her eyes, she will

^A suffer the needle chill ^C ^G

^A she's running to stand ^C ^G ^D still ^G ^D ^G ^D
