

U2 - Spanish Eyes

Tom: C

Essa é a introdução da versão estúdio na qual o The Edge começa com esse riff

O verso com os acordes Dm e G é tocado assim:

Dm G
 Wey hey hey, baby hang on
 Wey hey hey, baby hang on
 Empty heart, beat tight as a drum stick
 Empty love, she'll shine like a song
 Wey hey hey, baby hang on

F C
 Our love shines like rain
 Am
 With those Spanish eyes
 Em
 Spanish eyes

Dm G
 Wey hey hey, here she comes
 Comes in colours

Know she's gonna turn the daylight on
 Because I love the way you talk to me
 And I love the way you walk to me
 And I need you more than you need me, yeah

F C
 Our love shines like rain
 Am
 In those Spanish eyes
 Em
 Spanish eyes

F C
 I'd cross the world for green and gold
 Am Em
 But it's those Spanish eyes that get me home
 Home again

Dm G
 Hey hey, baby hang on
 Wey hey hey, you know that the night is young
 Dazzled by lights that shine in your eyes
 I'm standing in the shadows & wait for the night
 Forever in fever, forever in heat
 You pick me up, don't put me out on the street
 Wey hey hey, baby hang on
 Wey hey hey, baby hang on
 Because I love the way you talk to me
 And I love the way you're mean to me
 And I need you
