(Bono plays chords)

E Gb  
Green light, Seven Eleven  
A E  
You stop in for a pack of cigarettes  
Gb  
You don't smoke, don't even want to  
A E  
Hey now, check your change  
Gb  
Dressed up like a car crash  
A E  
The wheels are turning but you're upside down

(Edge plays arpeggiated chords)

Gbm E  
You say when he hits you, you don't mind  
Gb E  
Because when he hurts you, you feel alive  
Gb A E  
Is that what it is?

(Edge plays main riff)

Red lights, grey morning  
You stumble out of a hole in the ground  
A vampire or a victim  
It depends on who's around

You used to stay in to watch the adverts  
You could lip synch to the talk shows

(Edge plays arpeggiated chords)

Gbm Dbm  
And if you look, you look through me  
A  
And when you talk it's not to me  
B  
And when I touch you, you don't feel a thing

Gbm E  
If I could stay... then the night would give you up  
Gbm E  
Stay, and the day would keep its trust  
Gb A E  
Stay, and the night would be enough

(Edge plays main riff)

Faraway, so close  
Up with the static and the radio  
With satellite television  
You can go anywhere  
Miami, New Orleans, London, Belfast and Berlin

(Edge plays arpeggiated chords)

And if you listen I can't call  
And if you jump, you just might fall  
And if you shout I'll only hear you  
Gb E  
If I could stay... then the night would give you up  
Gb E  
Stay, and the day would keep its trust  
Gb Dbm  
Stay with the demons you drowned  
A B  
Stay with the spirit I found  
Gb A E  
Stay and the night would be enough

(Bono stops, Edge plays main riff)

Three o'clock in the morning  
It's quiet and there's no one around  
Just the bang and the clatter  
As an angel runs to ground  
Just the bang and the clatter  
As an angel hits the ground

Falow...
