

U2 - Stuck in a Moment You Can't Get Out Of

tom:

Intro: D G D
A Bm G D

I'm not afraid of anything in this world
There's nothing you can throw at me that I haven't already heard

I'm just trying to find a decent melody
A song that I can sing in my own company

I never thought you were a fool
But darling, look at you
You gotta stand up straight, carry your own weight

These tears are going nowhere, baby

You've got to get yourself together
You've got stuck in a moment and now you can't get out of it
Don't say that later will be better now you're stuck in a moment

And you can't get out of it

I will not forsake, the colours that you bring
But the nights you filled with fireworks

They left you with nothing
I am still enchanted by the light you brought to me

I still listen through your ears, and through your eyes I can see

And you are such a fool
To worry like you do

I know it's tough, and you can never get enough
Of what you don't really need now... my oh my

You've got to get yourself together

You've got stuck in a moment and now you can't get out of it
Don't say that later will be better now you're stuck in a moment

And you can't get out of it

I was unconscious, half asleep

The water is warm till you discover how deep
I wasn't jumping... for me it was a fall
It's a long way down to nothing at all

And if the night runs over
And if the day won't last
And if our way should falter
Along the stony pass

It's just a moment
This time will pass
