When you stop seeing beauty
 You start growing old
 The lines on your face
 Are a map to your soul

When you stop taking chances
 You'll stay where you sit

You won't live any longer
 But it'll feel like it

Ah Ah

E D D

I lost myself in the summer rain
 I lost myself

I lost myself in the summer rain

I lost myself in the summer rain

Oooooh ooh Aaaaaah
 A2 Am G G Em7 D7sus4

In the summer rain

Mhm Mhhhhhm Mhhhm

Tequila and Orange

Jamaica and rum

At the Morella

Honey on my tongue

In a small boat on a generous sea

You let me be your enemy

Tiny hand

With a grip on the world

Holding our breath now

Diving for pearls

E D D (x2)

I lost myself in the summer rain

I lost myself

I lost myself in the summer rain

I lost myself in the summer rain

I lost myself in the summer rain

I lost myself in the summer rain

Ahh Ah Ah

Ahh Ah Ah

Just as you find me

Always I will be

A little bit too free

With myself

Just as you find me

Always I will be

A little bit too free

With myself

E D D (x4)

I lost myself in the summer rain

I lost myself

Now there's no one else

In the summer rain

Raining down

Raining down

Rain

Raining now

Raining now

Just as you find me

Always I will be

A little bit too free

With myself

Just as you find me

Always I will be

A little bit too free

With myself

E D D (x4)

It's not why you're running

It's where you're going

It's not what you're dreaming

But what you're gonna do

It's not where you're born

It's where you belong

E **D D**
It's not how weak

E **D D** **E** [fading out]
But what will make you strong
