When you stop seeing beauty
 You start growing old
 The lines on your face
 Are a map to your soul

When you stop taking chances
 You'll stay where you sit

You won't live any longer
 But it'll feel like it

Ah Ah

It's not why you're running
 It's where you're going
 It's not what you're dreaming
 But what you're gonna do

It's not where you're born
 It's where you belong

E **D D**
It's not how weak

E **D D** **E** [fading out]
But what will make you strong
