

U2 - The Crystal Ballroom

Tom: C
Intro: Am Dm

Am
Life begins with the first glance
Am
The first kiss and the first dance
Dm
All of us are wondering why we're here
Dm
In the crystal ballroom underneath the chandelier

Am
Wet the glass until the glasses sing
Am
We punish our hearts 'til the heart bells ring
Dm
Cos' where we come from we're not always kind
Dm Am
The human soul is what love leaves behind

F Dm
We're the ghosts of love and we haunt this place
C G
We're the ghosts of love in every face
F Dm
In the ballroom of the crystal light
Am C
Everyone is here with me tonight
F Em Am
Every...one.. But you

(Am Dm)

Am
Our first chance is their last dance
Am
Our life is shaped by another's hands
Dm
Buttoning and unbuttoning a cold cold dress
Dm
Stopping and unstopping every cold caress

Am
Born for bliss born for this
Am
Every human life begins with a kiss
Dm
A kiss by every kind of possibility
Dm Am
And everyone is here tonight with me

F Dm
We're the ghosts of love and we haunt this place
C G
We're the ghosts of love in every face
F Dm
In the ballroom of the crystal light
Am C
Everyone is here with me tonight
