

## U2 - The Little Things That Give You Away

Tom: Db

(com acordes na forma de D )

Afinação: Eb Ab Db Gb Bb Eb Bm

The night gave you song

A  
A light had been turned on

Em  
You walked out in the world

G  
Like you belong there

Bm  
As easy as a breeze

A  
Each heart was yours to please

Em  
Is it only me who sees  
G  
There's something wrong there

Bm A  
Oh, I'm not a ghost there

Em  
I can... see you

G  
You need to see me

D A  
It's the little things that give you away

G  
The words you cannot say

Em  
Your big mouth in the way

D A  
It's the little things that tease and betray

G  
As the hunted I become the prey  
It's the little things

Em D  
The little things that give you away

Bm  
I saw you on the stairs

A  
You didn't notice I was there

Em  
That's 'cause you were talking at me

G  
Not to me

Bm  
You were high above the storm

A  
A hurricane being born

Em  
What was freedom

G  
It might cost you, your liberty

D A  
It's the little things that give you away

G  
The words you cannot say

Em  
Your big mouth in the way

D A  
It's the little things that tease and betray

G  
As the hunted I become the prey  
It's the little things

Em A  
The little things that give you away

Sometimes

A  
I can't believe my existence

Em  
See myself on a distance

G  
I can't get back inside

D  
Sometimes

A  
The air is so anxious

Em  
All my tasks are so thankless

G  
And all of my innocence has died

D  
Sometimes

A  
I wake at four in the morning

Em  
Where all the doubt is swarming

G  
And it covers me in fear

D A  
Sometimes, sometimes, sometimes

Em G  
Sometimes, sometimes, sometimes

D  
Sometimes

A  
Full of anger and grieving

Em  
So far away from believing

G  
That any song will reappear

D  
Sometimes

A  
The end is not dawning

Em  
It's not coming

G  
The end is here

D A  
Sometimes, sometimes, sometimes

Em G  
Sometimes, sometimes

D  
Sometimes

A  
I'm full of anger and grieving

Em  
So far away from believing

G  
That any song will reappear

D  
Sometimes

A  
The end isn't coming

Em  
It's not coming

G  
The end is here

D  
Sometimes
