

# U2 - The Saints Are Coming

Tom: E  
Intro: Em G Bm

There is a house in New Orleans  
They call the Rising Sun  
It's been the ruin of many a poor boy  
And god i know i'm one

I cried to my daddy on the telephone  
how long now  
Until the clouds unroll and you come home  
the line went  
But the shadows still remain since your descent  
your descent

( Em Bm D Gb ) (2x)

I cried to my daddy on the telephone  
how long now  
Until the clouds unroll and you come home  
the line went  
But the shadows still remain since your descent  
your descent

The saints are coming the saints are coming  
I say no matter how I try I realise there's no reply  
The saints are coming the saints are coming  
I say no matter how I try I realise there's no reply  
( Em Gb7 D Gb Em Bm D Gb )

SOLO

A drowning sorrow floods the deepest grief  
How long now  
Until a weather change condemns belief  
How long now  
When the night watchman lets in the thief  
What's wrong now?

The saints are coming the saints are coming  
I say no matter how I try I realise there's no reply  
The saints are coming the saints are coming  
I say no matter how I try I realise there's no reply  
I say no matter how I try I realise there's no reply  
I say no matter how I try I realise there's no reply
