

U2 - The Wanderer

Tom: G

Intro: - G (tune guitar down a semitone)

G I went out walking through street paved with gold
 C Lifted some stones, saw the skin and bones of a
 G City without a soul
 G I went walking under an atomic sky, where the
 C Ground won't turn and the rain it burns like the
 G tears when I said goodbye

Em Yeah I went with (C) nothing
 G Nothing but the thought of you
 D I went wan- (Em) der-ing (C) (D) (G)

G I went riding down that old eight lane. I
 C passed by a thousand signs
 G looking for my own name
 Em I went with (C) nothing but the thought
 G You'd be there (D) too, looking for (Em) you (C) (D)
) (G)

C I went out there in
 G Search of experience, to taste
 Em and to touch (C) and to feel as much
 G as a man can (D) before he repents (Em) (C) (D) (G)
)

Em Yeah I left with (C) nothing
 G Nothing but the thought of you
 D I went wan- (Em) der-ing (C) (D) (G) (C) (G)

etc

Verse 2

I went drifting
 Through the capitals of tin
 Where men can't walk
 Or freely talk
 And sons turn their fathers in
 I stopped outside a church house
 Where the citizens like to sit
 They say they want the kingdom
 But they don't want God in it
 I went out riding
 Down that old eight lane etc

Verse 3

I went out searching
 Looking for one good man
 A spirit who would not bend or break
 Who would sit at his father's right hand
 I went out walking
 With a bible and a gun
 The word of God lay heavy on my heart
 I was sure I was the one
 Now Jesus, don't you wait up
 Jesus, I'll be home soon
 Yeah I went out for the papers
 Told her I'd be back by noon
 Yeah I left with nothing
 But the thought you'd be there too
 Looking for you
