

## U2 - The Wanderer

Tom: G

Intro: - G (tune guitar down a semitone)

G I went out walking through street paved with gold  
 C Lifted some stones, saw the skin and bones of a  
 G City without a soul  
 G I went walking under an atomic sky, where the  
 C Ground won't turn and the rain it burns like the  
 G tears when I said goodbye

Em Yeah I went with (C) nothing  
 G Nothing but the thought of you  
 D I went wan- (Em) der-ing (C) (D) (G)

G I went riding down that old eight lane. I  
 C passed by a thousand signs  
 G looking for my own name  
 Em I went with (C) nothing but the thought  
 G You'd be there (D) too, looking for (Em) you (C) (D)  
 ) (G)

C I went out there in  
 G Search of experience, to taste  
 Em and to touch (C) and to feel as much  
 G as a man can (D) before he repents (Em) (C) (D) (G)  
 )

Em Yeah I left with (C) nothing  
 G Nothing but the thought of you  
 D I went wan- (Em) der-ing (C) (D) (G) (C) (G)

etc

Verse 2  
 I went drifting  
 Through the capitals of tin  
 Where men can't walk  
 Or freely talk  
 And sons turn their fathers in  
 I stopped outside a church house  
 Where the citizens like to sit  
 They say they want the kingdom  
 But they don't want God in it  
 I went out riding  
 Down that old eight lane etc

Verse 3  
 I went out searching  
 Looking for one good man  
 A spirit who would not bend or break  
 Who would sit at his father's right hand  
 I went out walking  
 With a bible and a gun  
 The word of God lay heavy on my heart  
 I was sure I was the one  
 Now Jesus, don't you wait up  
 Jesus, I'll be home soon  
 Yeah I went out for the papers  
 Told her I'd be back by noon  
 Yeah I left with nothing  
 But the thought you'd be there too  
 Looking for you
