

U2 - Walk On Ukraine

tom:

Intro: C Dm F Dm

[Primeira Parte]

And if the comic takes the stage and no one laughs
 And does a dance on his own grave for a photograph
 This is not a curtain call, this is the greatest act of all
 I stand up for freedom, woah, woah

[Refrão]

Walk on, walk on
 What you got, they can't steal it, they can't even feel it
 Walk on, walk on
 Stay safe tonight

[Segunda Parte]

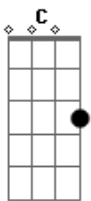

And if the dancer on the street was a veil of tears
 It's a dance no army can defeat, love turns her fears
 And too, a kind of rage, but can't be kept inside a cage
 You fight or you fly, we're born or we die for freedom, oh,
 woah

[Refrão]

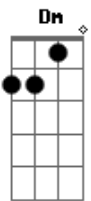

Walk on, walk on
 What you got, they can't deny it, can't sell it or buy it
 Walk on, walk on
 Stay safe tonight

[Ponte]

Yeah, I know it aches, your heart, it breaks
 You can only take so much
 Walk on, walk on
 Home, you don't know what it is 'til you're forced to flee one
 Home, 'til I know where it is, I will have to be one
 Home, that's where the heart is
 Oh, I know it aches how your heart, it breaks
 And if you can only take so much
 Walk on, walk on

[Terceira Parte]

All that you fashion, all that you make
 All that you build, whatever they break
 All that you dream of, all you design
 All that you can't leave behind
 All that you reckon, all that you dare
 All that you fought for when it wasn't there
 All that is stolen, the hills that you climb
 All that you can't leave behind

[Final]

Not gonna leave it behind
 Not gonna leave it behind, no, woah
 Not gonna leave it behind
 Not gonna leave it behind (Walk on)
