

U2 - When I Look At The World

Tom: A

When you look at the world
 What is it that you see?
 People find all kinds of things
 That bring them to their knees
 I see an expression
 So clear and so true
 That it changes the atmosphere
 When you walk into the room

So I try to be like you
 Try to feel it like you do
 But without you it's no use
 I can't see what you see
 When I look at the world

When the night is someone else's
 And you're trying to get some sleep
 When you're thoughts are too expensive
 To ever want to keep
 When there's all kinds of chaos
 And everyone is walking lame

You don't even blink now do you
 Or even look away

So I try to be like you
 Try to feel it like you do
 But without you it's no use
 I can't see what you see
 When I look at the world
 E, D, A, E, D, Bm, F#m, A, E

I can't wait any longer
 I can't wait till I'm stronger
 Can't wait any longer
 To see what you see
 When I look at the world

Out:

I'm in the waiting room
 Can't see for the smoke
 I think of you and your holy book
 While the rest of us choke
 Tell me, tell me, what do you see?
 Tell me, tell me, what's wrong with me?
