

## U2 - When I Look At The World

Tom: A

When you look at the world  
 What is it that you see?  
 People find all kinds of things  
 That bring them to their knees  
 I see an expression  
 So clear and so true  
 That it changes the atmosphere  
 When you walk into the room

So I try to be like you  
 Try to feel it like you do  
 But without you it's no use  
 I can't see what you see  
 When I look at the world

When the night is someone else's  
 And you're trying to get some sleep  
 When you're thoughts are too expensive  
 To ever want to keep  
 When there's all kinds of chaos  
 And everyone is walking lame

You don't even blink now do you  
 Or even look away

So I try to be like you  
 Try to feel it like you do  
 But without you it's no use  
 I can't see what you see  
 When I look at the world  
 E, D, A, E, D, Bm, F#m, A, E

I can't wait any longer  
 I can't wait till I'm stronger  
 Can't wait any longer  
 To see what you see  
 When I look at the world

Out:

I'm in the waiting room  
 Can't see for the smoke  
 I think of you and your holy book  
 While the rest of us choke  
 Tell me, tell me, what do you see?  
 Tell me, tell me, what's wrong with me?
