I wanna run, I want to hide
 I wanna tear down the walls that hold me inside
 I want to reach out And touch the flame
 Where the streets have no name ah ah aaah
 I wanna feel, sunlight on my face
 I see that dust cloud disappear without a trace
 I wanna take shelter from the poison rain
 Where the streets have no name ooooooooooh aah
 [Chorus]
 Where the streets have no name
 Where the streets have no name
 We're still building then BURNING down love
 BURNING down love
 And when I go there, I go there with you
 It's all I can do
 The city's a flood And our love turns to rust
 We're beaten and blown by the wind, trampled in dust
 I'll show you a place high on the desert plain
 (yeah)
 Where the streets have no name ooooooh aaaah
 [Chorus2]
 Where the streets have no name
 Where the streets have no name

We're still buil ding then BURNING down love
 BURNING down love
 And when I go there, I go there with you
 It's all I can do Our love turns to rust
 We're beaten and blown by the wind, blown by the
 wind
 oh and I see love See our love turn to rust
 And we're beaten and blown by the wi i ind, blown by
 the wind
 oh when I go there I go there with you
 It's all I can do (&Lead1)
