I wanna run, I want to hide  
 I wanna tear down the walls that hold me inside  
 I want to reach out And touch the flame  
 Where the streets have no name ah ah aaah  
 I wanna feel, sunlight on my face  
 I see that dust cloud disappear without a trace  
 I wanna take shelter from the poison rain  
 Where the streets have no name ooooooooooh aah  
 [Chorus]  
 Where the streets have no name  
 Where the streets have no name  
 We're still building then BURNING down love  
 BURNING down love  
 And when I go there, I go there with you  
 It's all I can do  
 The city's a flood And our love turns to rust  
 We're beaten and blown by the wind, trampled in dust  
 I'll show you a place high on the desert plain  
 (yeah)  
 Where the streets have no name ooooooh aaaah  
 [Chorus2]  
 Where the streets have no name  
 Where the streets have no name

We're still buil ding then BURNING down love  
 BURNING down love  
 And when I go there, I go there with you  
 It's all I can do Our love turns to rust  
 We're beaten and blown by the wind, blown by the  
 wind  
 oh and I see love See our love turn to rust  
 And we're beaten and blown by the wi i ind, blown by  
 the wind  
 oh when I go there I go there with you  
 It's all I can do (&Lead1)
