

## U2 - Where the Streets Have No Name

Tom: G  
Intro: D G D G Bm7 A C

I want to run, I want to hide  
I want to tear down the walls  
That hold me inside  
I want reach out  
And touch the flame  
Where the streets have no name  
I want to feel, sunlight on my face  
I see the dust cloud disappear  
Without a trace  
I want to take shelter  
From the poison rain  
Where the streets have no name  
Where the streets have no name (2x)  
We're still building then burning down love  
Burning down love, and when I go there  
I go there with you, it's all I can do

The city's a flood and our love turns to rust  
We're beaten and blown by the wind  
Trampled in dust  
I'll show you a place  
High on a desert plain  
Where the streets have no name  
Where the streets have no name (2x)  
We're still building then burning down love  
Burning down love, and when I go there  
I go there with you, it's all I can do  
Our love turns to rust  
We're beaten and blown by the wind  
Blown by the wind, oh, and I see our love  
See our love turn to rust  
Oh, we're beaten and blown by the wind  
Blown by the wind  
Oh, when I go there, I go there with you  
It's all I can do
