

U2 - Wild Honey

Tom: G

Verso 1:

In the days when we were swinging from the trees
 I was a monkey stealing honey from a swarm of bees
 I could taste, I could taste you even then
 And I would chase you, down the wind

Refrão:

You could go there if you please, wild honey
 And if you go there, go with me, wild honey

Verso 2:

Did I know you, did I know you even then?
 Before the clocks kept time, before the world was made
 From the cruel sun, you were shelter
 You were my shelter and my shade

Refrão:

If you go there, go with me, wild honey,
 You can do just what you please, wild honey

Yeah, just blowing in the breeze, wild honey,
 Wild, wild, wild

Verso 3:

I'm still standing, I'm still standing where you left me
 Are you still growing wild, with everything tame around you?
 I send you flowers, cut flowers for your hall
 I know your garden's full, but is there sweetness at all?

Love me so, Love me, keep me so

Refrão:

If you go there, go with me, wild honey,
 Wont you take me, take me please, wild honey
 Yeah, swinging through the trees, wild honey,
 Wild, wild, wild
