Tom: C
Intro: C Am G Am F G (2X)

C G
Take my hand before I go
F G
We'll never be alone
Am G
Look at all the lucky days
F G
And places we have gone

C G
Let me say a single word
F G
A million other ways
Am G
But all I wanna see is now
F G
A smile upon your face

C Am G
Like I'm dancing - dancing with an angel
Am F G
Like I'm dancing - never danced before
C Am G
Like I'm dancing - dancing with an angel
Am F G
Like I'm dancing - a dream I'm dancing on

C G

Gave my heart into your hands
F G
We are evermore
Am G
How can I repay you now
F G
For all the years and more

C G
All I know so deep inside
F G
We will never fade
Am G
So let me take you by the hand
F G
And lead you to the dance

[CHORUS]

Em C G D
Still I'm dancing through a dream with an angel
Em C G D
I don't wanna lose a part of your heart
Em C G D
Still you give me all the worlds I believe in
Em C G D
And I know that we will never part
