Am C D E Am C D E
E o vento mudou e ela não voltou
As aves partiram as folhas caíram

Am F Am C D E
Ela quis viver e o mundo correr
Am F E
Prometeu voltar se o vento mudar

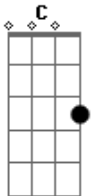

A Dbm
E o vento mudou e ela não voltou
A Bm
Sei que ela mentiu p'ra sempre fugiu

E Bm Dm
Vento por favor traz-me o seu amor
Dbm E
Vê que eu vou morrer sem não mais arder

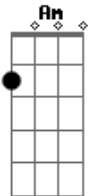

Nuvens tenham dó
Que eu estou tão só
Batam-lhe à janela
Chorem sobre ela
E as nuvens choraram
E quando voltaram
Soube que mentira
P'ra sempre fugira
Nuvens por favor
Cubram minha dor
Já que eu vou morrer
Sem não mais a ter
