

Ulisses Flores - Digno - MB

Tom: E

rei que perdoa multidão de falhas

Não tenho nada pra te oferecer, nada que te possa surpreender

Só um coração quebrantado por tudo que fez

E não há nada que me interesse mais, nada que me apaixone mais

só tua presença, só teu olhar, me faz suspirar

me inclino ante a ti

me inclino ante a ti

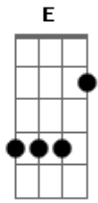

Digno, eternamente

Digno, impressionante

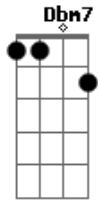

Digno, só ante a Tí

Eu me inclino
